

High Bay LED Luminaire

EOS-PRO

Eos-Pro is the indispensable highbay luminaire for industrial and logistical solution areas with its high optical engineering and durable body. Regardless of the ceiling height, the desired area is accurately illuminated with improved optical options. With an efficiency reaching 155 Lumens per watt, you can save on energy and reduce costs. You can ensure full security in the production area with its special tempered glass for manufacturing facilities and optional protection film alternative.

Extensive
Optical Range

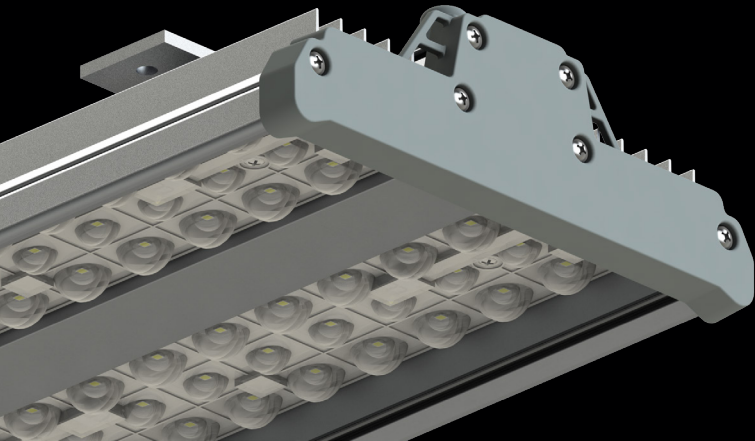

Durable

Precise Beam
Angle

High Power

KEY FEATURES

- Extensive optical range
- IK10 high impact resistance
- Precise beam angle
- High-power, minimal body design
